

Risk Assessment Workshop Resources

Hazard Mitigation Plan website for Amherst, Appomattox, Bedford, Campbell, and Lynchburg:

(Current): <https://hazards.cgit.vt.edu/cvpdc/>

(After November 2020): <https://www.cvpdc.org/regional-initiatives/hazard-mitigation.html>

Hazard Mitigation Plan Outside Central Virginia: Find your Planning District Commission (PDC) here: <https://www.vapdc.org/pdc-directory>, click on the link to your PDC and search for the Hazard Mitigation Plan.

Each plan is required to have information on the hazards which may impact your community. The Hazard Identification and Risk Assessment for Amherst, Appomattox, Bedford, Campbell, and Lynchburg is found here: <https://hazards.cgit.vt.edu/cvpdc/resources/documents/>

For all U.S. jurisdictions, the NOAA storm events database is here:

<https://www.ncdc.noaa.gov/stormevents/>. Search on the jurisdiction name and hazard type.

For all U.S. jurisdictions, flood maps are provided here: <https://msc.fema.gov/portal/home>

Central Virginia has detailed mapping here:

<https://virginiatech.maps.arcgis.com/apps/webappviewer/index.html?id=bb119d1f7f69410c820eb1f0b155d20c>

For all U.S. jurisdictions, coastal sea levels are here: <https://tidesandcurrents.noaa.gov/>

For all U.S. jurisdictions, high hazard dam information can be found here:

<https://nid.sec.usace.army.mil/>

Central Virginia has detailed mapping here: <https://hazards.cgit.vt.edu/cvpdc/resources/maps/>

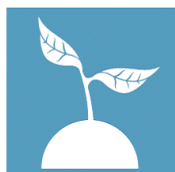

Major earthquakes in Virginia may be found here:

<https://www.dmme.virginia.gov/dgmr/majorearthquakes.shtml>

For all U.S. jurisdictions, landslide map:

<https://usgs.maps.arcgis.com/apps/webappviewer/index.html?id=ae120962f459434b8c904b456c82669d>

Virginia COVID information: <https://www.vdh.virginia.gov/coronavirus/>
